

City of Prescott

Safety guidelines for placing Political Signs

1. Please No signs in the corner visibility area

- a. Below is a diagram of the corner requirement

2. Set signs back in this manner for safety:

- a. *10' feet back from the street edge*
(If no curb or sidewalk)
- b. *8' feet back from the back of the curb*
(If no sidewalk)
- c. *4' feet back from the sidewalk*

3. Signs need to be secured and tethered properly

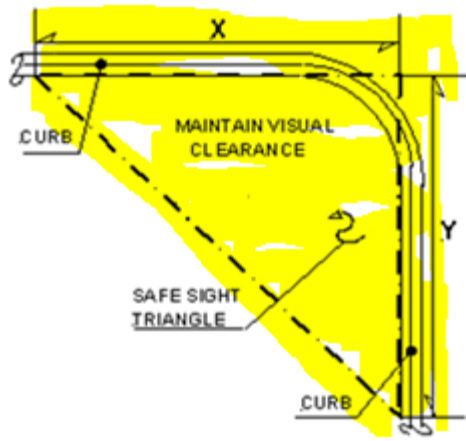

4. Contact information must be on the sign or it will be removed

- a. Phone, web address with contact option or email address.

***These safety measures are for the safety of the public
(Human and Vehicular)***
