Statement of Endorsement from Former Arizona Attorney General, Terry Goddard

I am pleased to endorse ***Judy Stahl*** for Arizona State Representative for Legislative District 1. Judy will advocate for all Arizonans. She has the compassion, vision, integrity, and grit needed to help move Arizona toward a more just and prosperous future. Judy listens to all sides and tries to find common ground, a trait much needed in Arizona today.

I admire Judy's commitment to transparency in government--she will be a champion of honesty and accountability at the Statehouse. She is committed to supporting full disclosure of the original sources of every dollar spent to influence voters. District 1 will be well served by Judy's dedication to moving Arizona forward in education, economic prosperity, environmental responsibility and health care.

I'm proud to be on the #StahlforAll team.
