### **Stand for Children Endorses Judy Stahl for Arizona State Representative in LD-1**

Judy Stahl, 2020 candidate for State Representative for Legislative District 1, has been endorsed by Stand for Children Arizona, an education advocacy organization focused on ensuring all students receive a high quality education. “Investing in education so that all children in Arizona get a top-notch education is a cornerstone of my campaign and will be a top priority for me at the state Capitol,” said Stahl. “I am honored to receive this endorsement, and look forward to joining with Stand for Children to make Arizona’s schools among the best in the country.”

As State Representative, Stahl will work to establish a permanent funding source for public schools to provide teachers with nationally competitive salaries, staff classrooms at appropriate student/teacher ratios, offer universal all-day kindergarten, and pay for capital improvements and up-to-date teaching resources at all schools.

“There’s a lot of work to do to achieve my ‘strong schools’ vision for Arizona,” said Stahl, “but we can and must ensure our public schools are optimally-performing for all students if we are to build a strong future for our state. I’m ready to do what it takes to make this happen. Having the endorsement of Stand for Children Arizona will go a long way in helping me reach voters and firing them up to join me in our ‘strong schools mission.’ I deeply appreciate Stand for Children’s support.”
